Security System Technician

Experience preferred, but we offer a fantastic trainee program for motivated candidates that offers the potential for fast upward wage mobility. We are hiring in service and inspection.

Position Summary: The main responsibility of a **Security System Technician** will be repairing and inspecting existing customer's security systems including: security systems, fire alarms, video surveillance and access control. We are looking for someone who takes pride in their work, is motivated to perform at high levels and has a positive attitude. A candidate with at least two year experience is preferred.

Specific Job Requirements

- High school graduate
- Good trouble shooting skills.
- Passionate about technology
- Likes to work with their hands and see projects to their completion.
- Excellent customer service skills.
- Previous experience in networking, low voltage wire, or field service work.
- Wire pulling experience
- Good organizational and time management skills.
- Licensed driver with a good record.
- Ohio Fire License Preferred

Pre-Hire Screening: A job candidate must pass a drug and background check in advance of hire. References will be called to confirm previous experience.

Benefits: At Habitec we know that our people are our most valuable asset, and we are pleased to offer a substantial benefits package as well as opportunities for overtime work. Benefits include medical, life, dental and disability insurance, 401K, PTO/Holiday pay, & a take home vehicle.

About Habitec: Habitec Security, founded in 1972, is headquartered in Holland, Ohio and has two full-service branches in Columbus, Ohio and Charlevoix, Michigan. Habitec is ranked as the 40th largest electronic security company in the country according to the top 100 rankings compiled by the Security Distributing & Marketing (SDM). Habitec, one of the largest family-owned and operated security companies in the Midwest, monitors all of their 13,000 customers from their own U.L. monitoring center. The Habitec team consists of over 80 employees with an average of 20+ years in the security industry and are leaders in residential and commercial security systems.
