Named a Top Workplace in 2015, 2016 and 2019 by *The Toledo Blade*.

**Position:** Security Installation Technician - Holland, OH

**Position Summary:**

The main responsibility of a Security Installation Technician will be installing security systems including: intrusion alarm systems, fire alarms, video surveillance and access control. The installation includes running wire, mounting devices and programming systems to provide our customers a fully integrated security solution. We are looking for someone who takes pride in their work, is motivated to perform at high levels and has a positive attitude. Experience in the Security Industry or Electrical work is preferred, but we are willing to train and invest in someone who has what it takes to succeed.

**Specific Job Requirements:**

- High school graduate
- Aptitude to develop and maintain electrical and mechanical troubleshooting skills.
- Technologically savvy.
- Goal oriented.
- Likes to work with their hands and see projects to their completion.
- Excellent customer service skills.
- Previous experience in networking, low voltage wire, or field service work.
- Ability to climb ladder or use a lift with no fear of heights.
- Good organizational and time management skills.
- Licensed driver with a good record.
- Security Industry experience a BIG plus!

**Pre Hire Screening:**

Potential Candidates must pass a drug screen and background check in advance of hire. References will be called to confirm previous experience.

**Benefits:** We know our people are valuable, and we are pleased to offer a substantial benefits package as well as opportunities for overtime work.

Benefits include:

- Medical, Dental, Life, Disability and Vision Insurance Options
- 401K
- Vacation/Sick Pay
- Take Home Vehicle

*Habitec Security, founded in 1972, is headquartered in Holland, Ohio and has two other full-service branches in Delaware, Ohio and Charlevoix, Michigan. Habitec is ranked as the 53rd largest electronic security company in the country according to the top 100 rankings compiled by the Security Distributing & Marketing (SDM). Habitec, one of the largest family-owned and operated security companies in the Midwest, monitors their 15,000 customers from their own U.L. monitoring center. The Habitec team consists of over 90 employees with an average of 20+ years in the security industry and are leaders in commercial, industrial and residential security.*

**Habitec Security is an equal opportunity employer.**
